GOOD

MORNING!

LET'S PICK SOME
OLIVES
TO START THE DAY

THE
JUICY
FRUIT
ARE

MESSENGERS
OF MASTER
METHUSALEM

A stylized illustration featuring a tree on the left and classical architectural elements on the right. The tree is composed of a vertical trunk and horizontal branches, all rendered in a bright orange, hand-drawn style. The architectural elements include two columns with spiral capitals, also in orange. The background is a dark, muted green with black silhouettes of leaves and branches. The overall aesthetic is graphic and artistic.
